JULIAN SCHRAVEN 2024

## BIO

If you look up the German adjective 'eigenwillig' you get stuff like: unconventional, maverick, headstrong, capricious, individual, outlandish, wilful and idiosyncratic. That's how Julians music sounds like. He is a live act, DJ and producer from Köln, known for his smacky kick drums, acidic vibes and organic flows. He is an active member of Zugvögel Festival.
